

# Pave the way to the future

## Miriam's Pathway Program

Make your mark and be a permanent part of Miriam's expansion. Have your name engraved on a pathway, leading through a courtyard to the new multi-purpose addition—or honor people who have made a difference in your life by purchasing pavers engraved with their names.

***Your donation will be a lasting legacy for future Miriam students.***

Commemorative pavers come in three different sizes:

Construction officially began on **Miriam's Mary Ann Lee Multi-Purpose Addition** on June 22, 2010. It is anticipated that the 7,600-square-foot building will be completed in Spring 2011. Architects from the firm of Hastings + Chivetta designed the building, and it is being built by Hensley Construction. Through the tremendous generosity of many leadership gifts, we are working towards the total goal of \$2,200,000 needed to complete the project.
